Messages from HQ Executive

We are counting down to our first six-monthly meeting for 2023 in late May at Caloundra.

The Caloundra venue coincides with the Caloundra Family History Research group celebrating their 30th anniversary. It is a wonderful milestone for the group. I hope many of you will come along and help the Caloundra group celebrate and see how they operate.

History Queensland will also hold our AGM at this time.

I am not seeking re-election as the President of History Queensland this time. I have been in the role for about fourteen years, so it is time for a new President. There will also be vacancies on the general committee as other members are taking on other commitments. Please complete the form if you want to nominate for the Management Committee. 'New blood' and fresh ideas are always welcome.

I want to thank the many family and local historians as individuals and as members of organisations who have assisted History Queensland since I was president. In particular, I thank everyone who has been on the committee over this time.

Happy researching... Marg Doherty (President)

What's on your group's wishlist?

**What's something you struggle with
and can't manage as a small group?**

**HQ is looking for ways we can best
assist our member groups into next year.**

Let us know in an [email](#) preferably before the AGM.
